

**KLH**<sup>®</sup>  
LOVE YOUR MUSIC™

**ULTIMATEONE**  
OVER-EAR HEADPHONES

[KLHAUDIO.COM](http://KLHAUDIO.COM)

Thank you for your purchase. The KLH UltimateOne Open-Air Dynamic Headphones deliver music and movies with unmatched detail and dynamics. Our goal is to create a rich, enveloping audio experience that simply put, elevates the soul.

#### **IMPORTANT SAFETY INFORMATION**

1. READ and follow these instructions.
2. DO NOT operate headphones near water or moisture.
3. Please turn down your listening device's volume to zero before operating UltimateOne headphones. Once headphones are connected and the listening source is powered up, gradually increase the volume to a comfortable listening level.
4. Exercise caution when using the UltimateOne headphones, and if you hear ringing during or after listening, you may be listening at a volume level that is too high.
5. Do not install or operate near any items that produce heat, such as registers, ovens, stove tops, portable heaters or electronics. Keep away from open flames.
6. Only use accessories or attachments recommended by KLH.
7. If service of your UltimateONE headphones is required we recommend contacting KLH directly for service questions or concerns. Repairs not completed by KLH will negate the warranty.
8. Do not use your headphones while operating a motor vehicle, as it is illegal in many states.
9. Do not wear headphones while operating heavy machinery.
10. UltimateOne headphones are not intended for use while running, biking or engaging in any type of exercise.

#### **WEEE NOTICE**

Note: This mark applies only to countries within the European Union (EU) and Norway. This appliance is labeled in accordance with European Directive 2002/96/EC concerning waste electrical and electronic

equipment (WEEE). This label indicates that this product should not be disposed of with household waste. It should be deposited at an appropriate facility to enable recovery and recycling.

#### **WARNING:**

The UltimateOne headphones should not be used as headsets for aviation communication as they are not manufactured for adverse environmental conditions or any conditions with extreme temperatures, noise, altitude and air pressure changes.

The Occupational Safety Health Administration has issued headphone usage recommendations for maximum daily exposure and sound pressure levels measured in decibels (dB). Go to [www.osha.com](http://www.osha.com) for more information. Remember to use headphones wisely, as regular exposure to sound levels at 85dB may cause gradual hearing loss.

#### **WARRANTY**

Our 2 year warranty begins from purchase date of the item. (Receipt Date) Warranty registration must be completed at [KLHAUDIO.com/warranty](http://KLHAUDIO.com/warranty). Registration of the product must be completed within 60 days of purchase for warranty validation. Original receipt of purchase must be retained for proof of purchase. For warranty or service issues, please DO NOT contact the place of purchase but rather contact KLH Customer Service directly. The warranty covers any production and/or material defects of the product. This warranty is non-transferable. The following is NOT COVERED by the warranty:

1. Accidents, misuse, poor maintenance, electrical overloads such as lightning or voltage.
2. Incorrect use of product.
3. Altered serial number.
4. Purchase of KLH products from unauthorized reseller.

Replacement item cannot exceed the cost of the item under warranty. The supplier is responsible for only repair or replacement. KLH toll free number is 1-833-554-8326
